

MI Beer Adventure

Stop #8

DARK HORSE BREWING CO.

Beer Facts

What they say:

Crooked Tree IPA is heavily dry hopped to give it a big aroma of pine and citrus. The flavors are big, yet very balanced between fresh hops and malt.

Often described as

“grapefruit,” our hops give this beer an excellent citrus flavor that finishes dry, crisp, and clean. Due to our unique dry-hopping methods it has won several medals in the India Pale Ale category.

Alcohol By Volume: 6.5%

Established in 2000 in Marshall, MI by Aaron Morse

Other Popular beers: Scotty Karate and Reserve Special Black Ale

Address:

**511 S Kalamazoo Ave
Marshall, MI 49068**
